Testing Joiner's Model of Suicide

Whit Livingston [A02225518] - Doc Student (w/Becky Blais)

October 13, 2020

## **Background**

We aim to test Joiner's model of suicide

## **Sample**

Becky collected data for 508 men in the military

## **Hypothesis**

We hypothesize that Joiner's model will fit the data and significantly predict suicidal ideation/attempts

## **Progress**

I wrote all the syntax for the model

## **Request**

Help with running moderation in Lavaan.

## **Timeline**

No specific deadline
