

Request #: 628 - TEAL - Publication/Article

Pre service teacher experiences in ss practicum

Rachel Turner [A02342628] - TEAL Faculty

November 02, 2022

Background

Survey instrument is based on prior study done by a colleague.

Sample

Survey data - approx 80 participants per semester

Hypothesis

What is the frequency of social studies instruction that psts observe in their practicum

What types of social studies instruction do psts observe on their practicum

Does the instruction observed in practicum reflect the rupee of instruction included in the psts elementary social studies methods course

Progress

Created survey but want feedback on it

Request

Feedback on survey and survey analysis plan

Timeline

Want to send survey out in December right after graduation
